BRS Appointed Conservator

In early May 2010, the Department of Industrial Relations, Office of Self-Insurance Plans (DIR-OSIP), announced the appointment of Bickmore Risk Services (BRS) as Conservator of the Contractors Access Program of California (CAP), a self-insured group consisting of over 200 contractors. In its role as Conservator, BRS has assumed oversight of the claims payment and financial management of CAP due to continuing shortfalls in the self-insured group's finances. Bickmore Risk Services has outlined a series of steps to ensure that injured workers continue to receive the benefits and treatment to which they are entitled, while working to restore the group's financial health and prevent CAP from defaulting and being transferred to the California Self-Insurers' Security Fund.
