Record Turn Out at BRS/ASSE Symposium

On October 19, 2011, Bickmore Risk Services (BRS) partnered with the American Society of Safety Engineers (ASSE) Sacramento Chapter to sponsor a symposium on *The Future of Compliance: Batten Down the Hatches!* Keynote speaker John Duncan, Former Director of the California Department of Industrial Relations and current Senior Vice President of Governmental & Regulatory Affairs at BRS, kicked off the program with "A Recovering Regulator's Perspective on Compliance", followed by an exchange of questions and answers. The program also included seven breakout sessions on a variety of pressing safety topics. The all-day event, hosted at Sacramento's Radisson Hotel, attracted a record number of participants that included attorneys, Cal/OSHA representatives, risk managers, safety professionals, public works employees from cities and various other state agencies, and members of the press from industry news publications.

Program details and photos of the event can be found on this site's Risk Control [web portal](#).
