O'Connell Named ASSE Public Sector Safety Professional of the Year

Mary Beth O'Connell, RN, COHN-S, ARM-P, Risk Control Services Manager at Bickmore Risk Services, was recently named 2010 Safety Professional of the Year (SPY) by the Public Sector Practice Specialty of the American Society of Safety Engineers (ASSE). Established in the early 1970's, this award recognizes select Practice Specialty members who have helped to advance the occupational safety, health and environmental profession through exemplary volunteer service to the Society and to their respective Practice Specialty or Branch during the ASSE calendar year.

The recipient receives an engraved statuette. The award was presented to Ms. O'Connell at the Society's annual Professional Development Conference held June 13-15, 2010 in Baltimore, Maryland.

Mary Beth O'Connell brings over 25 years of practical, client-focused experience in the safety, health, and risk control fields. Prior to joining BRS in 2000, Mary Beth established and facilitated the first safety and health consulting practice for Goldman Insurance Services, a San Francisco regional broker. She was also a senior safety consultant for Crawford/The FPE Group Risk Control Services.
